### Media advisory - Save our Farms campaign to host barbecue in support of the Westmorland Institution

DORCHESTER, NB, June 24 /CNW Telbec/ - The Union of Solicitor General Employees (USGE) brings its "Save our Farms" campaign ([www.saveourfarms](http://www.saveourfarms)) to Dorchester on Friday to mobilize opposition to the Harper government's plans to close the Westmorland Institution - one of the six prison farm annexes the government has slated for closure.

The USGE, a component of the Public Service Alliance of Canada which represents over 160,000 workers nationally, along with the National Farmers Union and numerous community groups across the country have joined in opposition to plans to close these farms which make such positive contributions to the lives of inmates and to their surrounding communities.
